

We regularly organize information meetings at 9 am. You are welcome. See our website. Please register in advance with Joyce de Boer, by this [link](#)
The meeting is in Dutch and English.

To register

The Willemsparkschool, together with 10 other independent "éénpitters" in Amsterdam-Zuid, does not participate in "Het Stedelijke toelatingsbeleid".

The "éénpitters" and "Het stedelijke toelatingsbeleid" each have their own lottery system, which you must register for separately.

(For schools from "Het Stedelijk toelatingsbeleid", we refer you to www.schoolwijzer.amsterdam.nl)

You can download the registration form for the éénpitters below or request it from Joyce de Boer: j.deboer@dewps.nl

You submit your application form to the éénpitter school of your first preference. On your list are only the éénpitters.

The lottery is three times a year under the responsibility of the school boards. The starting point is that every child has an equal chance of getting a place. The time of registration does not play a role in this.

The priority criteria for the Willemsparkschool are:

- Child has an older brother/sister at the school.
- Child of an employee of the Willemsparkschool.
- Child lives in the priority area of the school. The postal codes belonging to the priority area are: 1054, 1071, 1072, 1073, 1075, 1076, 1077, 1078.
